

The TWV logo consists of the letters "TWV" in a large, bold, blue, sans-serif font. The letters are slightly overlapping and have a subtle 3D effect.

Training Video Now

On-Demand Training for TML Risk Pool Members

The TML Risk Pool is proud to continue offering **TrainingVideoNow**—an on-demand streaming platform that makes it easy to deliver effective, video-based training anytime, anywhere. With a wide selection of safety, compliance, and professional development topics—many available in both English and Spanish—you can ensure your teams get the training they need, when they need it. New programs are added throughout the year to keep content fresh, timely, and relevant.

How It Works

- **3 Titles per Month** – Stream up to three different videos each month.
- **7-Day Viewing Window** – Watch each title as many times as needed within 7 days.
- **Ideal for Group Training** – Perfect for safety meetings, tailgate talks, or quick refreshers.
- **Unlimited Previews** – Browse and preview full videos without affecting your monthly course allowance.
- **Coordinator Role** – Assign a staff member to manage selections and track usage for maximum benefit.

What's Included

Many videos come with support materials to make your sessions more impactful:

- **Leader Guide** – Step-by-step facilitation tips.
- **Quizzes** – Reinforce knowledge and measure comprehension.
- **Suggested Learning Plans** – Structured pathways for ongoing development.
